

END SECTION

In order to take the tension of the Electro-Fence wires at the beginning or end of a fence section, end sections are used. They are also used for internal or external corners of less than 90 degrees and where the fence height changes.

BILL OF MATERIALS

Part No	Description	2.4m Qty	3.0m Qty
EF-220	Electro End Post 2.4m	1	
EF-230	Electro End Post 3.0m		1
